

JOINT BASE SAN ANTONIO SUSTAINABLE ENERGY WORKSHOP
Pearl Stable, San Antonio, Texas July 12, 2011

LIAM DOHN

Liam Dohn, A Project Manager for Siemens Corporation, is responsible for developing the microgrid business within Siemens. At Siemens since 2008, Liam worked for the Siemens in-house strategy consultancy prior to joining the Siemens Smart Grid team. Prior to joining Siemens, he was a Captain in the United States Marine Corps and then worked at GE in the lighting and low voltage electrical distribution businesses. He studied finance at the University of Virginia and has an MBA from London Business School.
