

JOINT BASE SAN ANTONIO SUSTAINABLE ENERGY WORKSHOP
Pearl Stable, San Antonio, Texas July 12, 2011

JACK ROBERTS

Mr. Roberts is Chief Executive Officer and President, Consert Company. From 2004-2007, Roberts served as chairman and CEO of the business information company Telephia, which was sold to the Nielsen Company in 2007. Prior to Telephia, Roberts was a managing director at AEA Investors where he made private equity investments in communications, media, and information companies.

He also served with the Blackstone Group as senior managing director and with Bear Stearns as managing director, building the telecom practice into the largest group within investment banking. Roberts served as an officer in the U.S. Army leading a team of analysts and programmers in the Pentagon. He holds two degrees in accountancy from Georgia State University in Atlanta. He currently is a director of White Oak Conservation Center.
