

JOINT BASE SAN ANTONIO SUSTAINABLE ENERGY WORKSHOP
Pearl Stable, San Antonio, Texas July 12, 2011

TODD DAVIS

Todd Davis, M.S.c, CISSP - Schneider Electric, has 15 years experience integrating disparate Control & Automation systems from industries as diverse as Water/Wastewater, Oil & Gas, Electric Generation, Transmission & Distribution, Factory Automation, and special Government projects. Todd's service as a Certified Information Security System Professional (CISSP) for the past 10 years has allowed him to bring a perspective to integrated systems often overlooked with traditional approaches to Systems Integration. Todd is currently serving as the Business Development Manager for International Government Solutions at Schneider Electric. Todd has a Bachelor's of Science from Brigham Young University and a Master's of Science from The University of Phoenix.
